

Parents Pack

Arrival Time

The arrival time will be decided by the group leader.

Car Parking and Vehicle Access

On arrival to Belchamps there will be car parking marshals to direct you. Please listen to the marshals and follow instructions correctly.

Under no circumstances are vehicles allowed on to camp sites. Children will need to walk to their camp site from the car park, carrying their kit. If you require assistance with getting kit to the site, please speak to the group leader.

There is a strict 5mph speed limit on site and we expect everybody to abide by this. There will be a lot of people around, so please drive sensibly and give way to pedestrians.

When picking children up at the end of the camp, similar procedures will be in place. Again, please listen to marshals and follow all instructions effectively.

Signing In

Parents do not need to sign in with Belchamps. You should report to the group leader who will sign in on the group's behalf.

Location

Our address is Belchamps Scout Activity Centre, Holyoak Lane, Hawkwell, Essex, SS5 4JD. A Sat Nav may direct you down Mount Bovers Lane. You should not use this road. Instead, head down Poplars Avenue, turn left onto Woodside Chase and right onto Holyoak Lane.

Be prepared for all of the surprises of British weather – bring your waterproofs, suitable sleeping bag, layers of clothing to add or lession will cover just about any weather and sun cream (is a must). We've experienced all sorts of weather at CAB Week, from Heat Waves to wind and rain, but they always have a great Camp!
