

## Belchamps Scout Centre – Risk Assessment Form

Type of Assessment: **Water Rollers** Location: **Water roller pool area**

Date assessed: November 2016

Date to be reviewed: November 2017

Assessed by: Michael Barrett Signed:

Print: Michael Barrett

Hazard	Who might be harmed	Existing Controls	Severity 1-10	Likelihood 1-10	Rating (SxL)	What further action is required to control risk
Drowning	Participants	Water rollers Pool is to be supervised by an instructor at all times.	6	2	12	Adequately controlled
Slip	Participants	Areas inspected prior to use and logged monthly, rules explained by the instructor.	3	2	6	Trivial risk
Impact with the bottom	Participants	No one should be going into the water.	3	2	6	Trivial risk
Ingestion of dirty water	All	The water rollers pool water is covered daily by a cover to stop animals from entering the pool. Leaves are also fished out using the pool net prior to use.	3	2	6	Trivial risk
Impact with the side of the pool	Participants	Information displayed about behaviour in the pool area	3	2	6	Trivial risk
Cut feet	All	Glass is not allowed in the pool area and the area is inspected prior to use.	4	2	8	Trivial risk
Unauthorised use	All	The area is fenced with a locked gate, and water depth signs displayed.	5	2	10	Trivial risk
Electrical shock whilst inflating the Roller	All	The roller must be next to the shed when inflated and rolled into the pool when done. The electric supply has a suitably tested strip.	9	2	18	Adequately controlled
Electrical shock from inflation blower falling into water	All	The extension cable must be fully clear of the pool, going around the outside. At no point should the extension cable be draped across the pool or its sides. To stop this occurring rollers are inflated away from the pool and rolled in. The electrical supply has a suitably tested strip.	9	2	18	Adequately controlled

Rating:	81-100	61-80	41-60	21-40	11-20	0-10	Code
Action:	Immediate action	Action within 1 week	Not adequately controlled	Further investigation	Adequately controlled	Trivial risk	RA11d
